**Title 32: PROFESSIONS AND OCCUPATIONS**  
**Chapter 16: DENTISTS AND DENTAL HYGIENISTS**

**§1100-S. MENTAL OR PHYSICAL EXAMINATION**

For the purposes of this section, by application for and acceptance of a license to practice, a licensed dental radiographer is considered to have given consent to a mental or physical examination when directed by the board. The board may direct a dental radiographer to submit to an examination whenever the board determines the dental radiographer may be suffering from a mental illness that may be interfering with the competent practice of dental radiography or from the use of intoxicants or drugs to an extent that they are preventing the dental radiographer from practicing dental radiography competently and with safety to patients. A dental radiographer examined pursuant to an order of the board may not prevent the testimony of the examining individual or prevent the acceptance into evidence of the report of an examining individual. Failure to comply with an order of the board to submit to a mental or physical examination results in the immediate suspension of the license of the dental radiographer by order of the District Court until the dental radiographer submits to the examination.
